DATE MAILED:

EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

- (1) David J. Maki (3) _____
(2) Elizabeth C. Weimar (4) _____

Date of interview April 22, 1988

Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).

Exhibit shown or demonstration conducted: ☐ Yes ☒ No. If yes, brief description: _____

Agreement ☒ was reached with respect to some or all of the claims in question. ☐ was not reached.

Claims discussed: 24, 26 specifically, all generally

Identification of prior art discussed: NONE

Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

The specific protease presented in cl. 26, an original claim, will be listed on p. 18, line 13 of the specification to provide clear support. The enzymes are taught by the noted Kiesel paper. Claim 24 will be re-worded so as to avoid the term "mediated by" and to conform the last step to the preamble. Changes will be made per Exr. Gmelt. Examiner noted that claim term "Factor VII" is being interpreted as human Factor VII. Presence of Exs 9+10 in spec. provide sufficient and enabling support. (A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☒ It is not necessary for applicant to provide a separate record of the substance of the interview.

☐ Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
